ARTICLE I

OVERVIEW AND EVENTS LEADING TO FILING CHAPTER 11

A. Overview.

Debtor Hudgins Holdings, LLC was formed August 7, 2000 as a holding company for the purposes of acquisition, development, management of investment properties, including commercial property and farmland. At the time of filing this Chapter 11 Case on November 4, 2013, Debtor had five principal assets: an approximately 27,000 square foot office building located at Westridge Industrial Parkway, McDonough, Henry County, Georgia; two office/warehouse buildings located on McDonough Parkway, Henry County, Georgia; approximately 130.37 acres of farmland located in Crisp County, Georgia; and a 5 bedroom residential property located on Lake Burton, Clayton, Rabun County, Georgia. On the Petition Date, Debtor's office building, its two office/warehouse buildings and its farm property were all being managed by Debtor, and rented to approximately 11 third-

party tenants. Debtor's residential property on Lake Burton was being held for sale.

During the course of this Chapter 11 case, Debtor sought and obtained Orders from this Court authorizing the sales of certain of Debtor's real property as follows:

(1) Debtor's 27,000 square foot office building, which Order was entered April 18, 2014 [ECF No. 54]. This sale closed in May, 2014. Proceeds of this sale satisfied the approximately \$3,500,000.00 secured claim held by Heritage Bank, and generated funds sufficient to pay approximately \$65,000.00 of *ad valorem* taxes owed to the Henry County Tax Commissioner related to the Debtor's office building. As a result of this sale, Debtor's secured claims on the Petition Date were reduced from approximately \$7,447,000.00 to approximately \$3,882,000.00.

(2) Debtor's two office warehouses which Order was entered October 30, 2015, and amended by Order entered November 13, 2015 [ECF 135, 138]. These two sales closed November 16, 2015. All proceeds of these two sales satisfied the approximately \$1,241,100 claims held by Peoples' Bank. The Purchaser of Debtor's two office warehouses paid the approximately \$130,000 of *ad valorem* taxes owed to the Henry County Tax Commissioner related to Debtor's two office

warehouses. As a result of these two sales, Debtor's secured claims on the Petition Date were further reduced from \$3,882,000 to \$ 2,640,900.

After consummation of the above sales, Debtor has 2 institutional bank creditors remaining, to wit: South Georgia Banking Company which holds a lien on Debtor's 130.37 acre Crisp County farm property; and 2010-3 SFR Venture, LLC which holds a lien on Debtor's residential investment property on Lake Burton in Rabun County, Georgia.

B. Events Leading to Filing of Chapter 11.

Debtor Hudgins Holdings was formed August 7, 2000 as a holding company for the purposes of acquisition, development, and management of investment properties, including commercial property and farm land. At the time of filing this Chapter 11 Case, on November 4, 2013, Debtor had five principal assets: (i) an approximately 27,000 square foot office building located at Westridge Industrial Parkway, McDonough, Henry County, Georgia (125 Westridge Office Building"); (ii) two office/warehouse buildings on McDonough Parkway, Henry County, Georgia; (iii) approximately 130.37 acres of farmland located in Crisp County, Georgia; and (iv) and a five bedroom residential property located on Blalock Goldmine Road, on Lake Burton, Clayton, Rabun County, Georgia which property is held for investment ("Blalock/Goldmine Road Residential Property"). On the

Petition Date, Debtor's 125 Westridge Office Building, its two office/warehouse buildings and its farm property were all being managed by Debtor, and rented to approximately 11 third party tenants. Debtor's Blalock/Goldmine Road Residential Property on Lake Burton was being held for sale.

Prior to 2013, Debtor's 27,000 square foot 125 Westridge Office Building had maintained an approximately 59.33% occupancy rate. One of Debtor's principal tenants was Georgia State University which rented a large portion of Debtor's 125 Westridge Office Building for classroom and teaching purposes. In approximately August, 2013, Georgia State University terminated its lease. Shortly thereafter, two other tenants terminated their leases. As a result of these terminations Debtor's annual gross rents decreased from approximately \$289,198.08 per year to approximately \$85,630.08 per year; termination of the Georgia State Lease and the other two leases reduced occupancy at the 125 Westridge Office Building from approximately 59.33% to approximately 31.66%. As a result of this decrease in occupancy, Debtor's 125 Westridge Office Building did not generate funds sufficient to pay all operating expenses and monthly escrows for *ad valorem* taxes. In addition, after termination of the Georgia State lease, the 125 Westridge Office Building did not generate rent sufficient to pay any debt service, which was approximately \$142,800 per year. Although no default

had been declared by the secured creditor holding the first priority lien on the 125 Westridge Office Building, and no foreclosure was pending, Debtor filed its Chapter 11 on November 4, 2013, in part to have time and the ability to reorganize the approximately \$3,500,000 secured debt, either through replacing the lost rents over a period of time, or through a sale of the property for amounts sufficient to pay the debt and possibly recover some of Debtor's equity.

In addition, the first in priority secured debt on Debtor's five bedroom Blalock/Goldmine Road Residential Investment Property on Lake Burton matured and the secured creditor holding the lien on that property began foreclosure proceedings. Debtor's Chapter 11 was also filed in part to allow Debtor to preserve its equity in this residential investment property.

In the absence of agreement between the Debtor and the holder of an Allowed Claim regarding the appropriate Interest rate, the holder of such Allowed Claim shall be paid the Determined Fair Interest Rate set by the Court.

ARTICLE V

TREATMENT OF CLASSES OF CLAIMS OR INTERESTS WHICH ARE IMPAIRED UNDER THE PLAN

5.1 Class 4 Claim: SFR/RoundPoint Secured Claim. The Class 4 SFR/RoundPoint Secured Claim is impaired and shall be treated as follows:

A. Settlement Alternative. Debtor will attempt to negotiate a settlement of the SFR/RoundPoint Allowed Secured Claim. In the event Debtor and SFR/RoundPoint are able to resolve terms for restructure and repayment of the SFR/RoundPoint Secured Claim, the settlement will be reflected by amendments to this Plan filed prior to the Confirmation Hearing or by an order of Court.

B. Cram-Down Treatment. In the event that Debtor is not able to reach agreement regarding the treatment of the Class 4 SFR/RoundPoint Secured Claim, the Claim shall be satisfied by a specific request of Debtor for treatment pursuant to 11 U.S.C. § 1129(b). Unless some other request for treatment is made prior to conclusion of the Confirmation Hearing, the request for treatment will be as follows:

1. **Retention of SFR/RoundPoint Lien.** The Holder of the Class 4 SFR/RoundPoint Allowed Secured Claim, will retain its lien on all of the collateral it held on the Petition Date, pending payment in the manner set forth herein.

2. **Determination of Allowed Claim.** On or before the Confirmation Date the amount of the Allowed Secured Claim held by SFR/RoundPoint will be determined by agreement or by order of this Court, in part based on this Court's Order entered August 7, 2015 valuing the collateral securing the Class 4 SFR/RoundPoint Allowed Claim at \$2,900,000.00. [ECF 116.]

3. **Payment of Interest on Allowed Claims.** Commencing on the Effective Date of a Lease of the Blalock-Goldmine Road Property (as defined in Section B.4 below, and continuing for 24 consecutive months, Debtor shall pay interest on the principal amount of the SFR/RoundPoint Allowed Claim at the rate

of 4% *per annum* or at the "Determined Fair Interest Rate" in the event the holder of the SFR/RoundPoint Secured Claim contests the proposed 4% *per annum* interest rate.

4. **Lease of Debtor's Blalock-Goldmine Road Property.** Debtor will enter into a Lease, Right of First Refusal and Option Agreement ("Lease/Option Agreement") with Peachtree Securities Company ("Lessor") respecting Debtor's Blalock-Goldmine Road Property pursuant to the terms of a Lease/Option Agreement to be filed on or before a hearing on Debtor's Disclosure Statement pertaining to this Plan which Lease/Option Agreement will include terms as follows:

i) ***Lease Term:*** 24 months, subject to termination as described below.

ii) ***Lease Payments:*** The Lease/Option Agreement will provide for payment on the first day of each month, commencing on the Effective Date which is the first day of the month following the earlier of: (i) the date of the Order Approving the Lease/Option Agreement; or (ii) the Confirmation Date, and continuing for 24 consecutive months from the Effective Date. The monthly Lease payments will be in an amount which equals one-twelfth (1/12) of the sum of 4% *per annum* of the outstanding principal balance of the SFR/RoundPoint Allowed

Claim plus the amount necessary to make *pro rata* monthly escrows for escrow of *ad valorem* taxes and insurance coming due during each calendar year ending or beginning during the Lease/Option Agreement term. Provided however, in the event the Court determines that interest must be paid on the SFR/RoundPoint Claim at a Determined Fair Interest Rate which exceeds 4% *per annum*, the Lease/Option Agreement payment will be increased from 4% to the amount which equals the Determined Fair Interest Rate; that higher Determined Fair Interest Rate shall be divided by 12 to ascertain the amount of the monthly Lease payment.

iii) Right of First Refusal: During the first seventeen (17) months of the Lease/Option Agreement, the lessee shall have rights as follows: If lessor obtains a *bona fide* offer to sell the Blalock-Goldmine Road Property at a price sufficient or more than sufficient to obtain a release of the Deed to Secure Debt and other security documents securing the SFR/RoundPoint Allowed Claim, and lessor decides to accept the offer, lessor shall first present to lessee a true and correct copy of a contract executed by the proposed Purchaser ("Proposed Sale Contract"). Lessee shall have 15 business days from receipt of the copy of the Proposed Sale Contract within which to give notice of lessee's agreement to purchase the Blalock-Goldmine Road Property on the same terms set out in the Proposed Sale Contract ("Lessee's Purchase Notice") except that lessee shall not be

required to close in less time than 30 days after lessee's timely delivery of Lessee's Purchase Notice; rather, lessee shall have the longer of 30 days from delivery of the Lessee's Purchase Notice or the closing date specified in the Proposed Sale Contract within which to close the sale. Delivery of Lessee's Purchase Notice shall result in a binding purchase contract between lessee and lessor on the same terms as set out in the Proposed Sale Contract, except for the provision set out immediately above respecting the Closing Date. If lessor gives notice of a Proposed Sale Contract and closes the purchase of the Blalock-Goldmine Road Property, whether to the proposed purchaser named in the Proposed Sale Contract or pursuant to lessee's right of first refusal, the Lease/Option Agreement terminates as of the Closing Date. If Lessor does not close a sale of the Blalock-Goldmine Road Property as a result of the Proposed Sale Contract, the Lease/Option Agreement shall continue in effect until the earlier of any closing of sale pursuant to the terms of any other Proposed Sale Contract, or the specified termination date of the Lease/Option Agreement.

iv) Option to Purchase: Commencing with the first day of the 18th month from the effective date of the Lease and continuing for the remaining term of the Lease, the Lessee shall have the option during the remaining term of the Lease to purchase the Blalock-Goldmine Road Property for the amount

of the SFR/RoundPoint Allowed Claim minus any reductions as a result of post-confirmation payments and plus any additions as a result of non-payment of interest at the post-confirmation rate agreed by the parties or the Determined Fair Interest Rate in the absence of agreement by the parties.

5. **Auction of Debtor's Blalock-Goldmine Road Property.** If The SFR RoundPoint Allowed Secured Claim is not paid by the 24th Month after Consummation Date, the Blalock-Goldmine Road Property shall be sold at auction pursuant to the procedure below.

(i) **Auction Free and Clear of Liens.** In the event the SFR/RoundPoint Allowed Secured Claim has not been fully paid by the end of 24 months from the Consummation Date, Debtor shall retain a reputable auctioneer familiar and experienced in auctioning property similar to Blalock-Goldmine Road Property, which auctioneer will commit to advertise and publicize the auction of Debtor's Blalock-Goldmine Road Property in a commercially reasonable way to generate interest in sale of the Property. The public notice and advertisement of auction shall proceed for not less than 60 days preceding the auction of Debtor's Property. Debtor will furnish SFR/RoundPoint notice of the proposed auctioneer. In the event SFR/RoundPoint does not approve the proposed auctioneer, Debtor and SFR/RoundPoint shall be entitled to submit proposed auctioneers to the Court

whereupon the Court shall appoint an auctioneer after notice to both Debtor and SFR/RoundPoint, and hearing. Debtor shall furnish the holder of the SFR/RoundPoint Allowed Claim, copies of all advertisements and notices disseminated by the auctioneer. The auction of Debtor's Blalock-Goldmine Road Property shall occur before the end of 27 months from the Consummation Date. said payment shall be applied to any interest which has accrued and remains unpaid on the principal balance of the SFR/RoundPoint Allowed Claim. Any Net Sales Proceeds remaining after payments described in the foregoing sentence shall be paid to Debtor for use under the Plan.

5.2 Class 5 Claim: South Georgia Banking Company Secured Claim.

The Class 5 Claim is impaired and shall be treated as follows:

A. Extension of Maturity Date and Amortization Schedule of Existing Note Held by South Georgia Banking Company. South Georgia Banking Company presently holds a Promissory Note dated July 7, 2015 in the original principal amount of \$153,695.84 providing for annual payments of principal and interest in the amount of \$30,329.20 with interest accruing at 5% *per annum* which Note has a maturity date of July 1, 2018. The Note is secured by Debtor's 130-acre Crisp County farm which Debtor acquired by Warranty Deed which included an assumption of the indebtedness due South Georgia Banking Company under the above referenced Note and its predecessor Notes ("Crisp County Farm Note"). The indebtedness evidenced by the Crisp County Farm Note will be extended such that the Maturity Date of the indebtedness will be extended to June 10, 2020. Interest will continue to accrue at the rate specified in the Crisp County Farm Note. Annual payments of principal and interest will continue to be

made on June 10 of each year in the amount of approximately \$30,329.20 until the earlier of payment of the Crisp County Farm Note or June 10, 2020.

B. Retention of Security. South Georgia Banking Company shall continue to retain its existing security including the 130-acre Crisp County Farm.

C. Assumption of Crisp County Farm Lease as Set Forth in Section 6.1. As set forth in Section 6.1 below, Debtor will assume that lease between Hudgins Holdings, LLC and Council & Sons Farms, LLC, dated August, 2011 providing for minimum lease payments in the amount of \$50,000 per year payable on June 15 of each year in the remaining Lease term, *i.e.*, June 15, 2016 through June 15, 2020 ("Crisp County Farm Lease").

D. Application of Lease Payments. Debtor will continue to apply \$30,329.20 of the approximate annual Crisp County Farm Lease payments to the payment of debt constituting the Class 5 South Georgia Banking Company Secured Claim, and, in addition, will pay from such lease payments, *ad valorem* taxes assessed against the 130-acre Crisp County Farm, subject to any reimbursement rights from lessee to lessor as set forth in the Crisp County Farm Lease.

5.3 Class 6 Claims: Unsecured, Non-Priority, Non-Insider, Non-Deficiency Claims. All Allowed Class 6 Unsecured, Non-Priority, Non-Insider, Non-Deficiency Claims shall be paid as follows:

A. Convenience Payment – One Hundred Cents (100¢) on the Dollar Up to \$500.00. All Creditors holding allowed Class 6 Unsecured Claims in an amount less than \$500.00 will be paid 100¢ on the dollar of their Allowed Claim, which payment will be made within 30 days from the Consummation Date. Any Person or entity holding an Allowed Class 6 Unsecured Claim in excess of \$500.00, which claimant desires to accept \$500.00 in satisfaction of its Allowed Claim, will likewise be paid \$500.00 in satisfaction of that claimants' Claim within 30 days from the Consummation Date. In the event a claimant holding a Class 6 Unsecured Claim in excess of \$500.00 desires to accept \$500.00 in satisfaction of its Claim, the claimant must affirmatively elect treatment under this Section 5.3(A) on its ballot.

B. Class 6 Claimants Not Subject to or Electing to Be Subject to the Convenience Payment Under Section 5.3(A). All holders of Allowed Class 6 Claims not subject to or electing to be subject to treatment under Section 5.3(A) above shall receive payment in an amount which is the *Pro-Rata* equivalent

of the amounts received by holders of Class 7 Unsecured, Non-Priority, Non-Insider, Deficiency Claims.

5.4 Class 7 Claims: Unsecured, Non-Priority, Non-Insider, Deficiency Claims. Hamilton State Bank is the holder of the Class 7 Unsecured, Non-Priority, Non-Insider, Deficiency Claims in the amount of two judgments improperly entered after the Petition Date. Notwithstanding the invalidity of the two post-Petition judgments, the Hamilton State Bank Class 7 Claims are in the amounts of \$464,425.43 and \$447,879.64, *i.e.*, an aggregate amount of \$912,305.07. The payments to the holder of the Class 7 Hamilton State Bank Claims are as follows:

A. \$10,000.00 Unconditional Payment. On the Consummation Date, the holder of the Class 7 Hamilton State Bank Claim shall be paid \$10,000.00.

B. Conditional Payment. Debtor will make conditional payment of 50% of Net Sales Proceeds of the Debtor's Blalock-Goldmine Road Property remaining after payment of funds necessary to obtain a release of the Blalock-Goldmine Road Property from the Security Deed and other security documents held by the holder of the Class 4 SFR/RoundPoint Secured Claim. The payment made by Debtor to Hamilton State Bank shall be computed as follows:

Step 1: the sale must take place during the first 18 months of the Lease of the Blalock-Goldmine Road Property to Lessee Peachtree Securities Company;

Step 2: all expenses defined as deductions in order to reach the Net Sales Proceeds shall be deducted from the gross sales proceeds of the Blalock-Goldmine Road Property;

Step 3: the total amount necessary to be paid to the holder of the Class 4 SFR/RoundPoint Secured Claim must be deducted from Net Sales Proceeds in order to obtain a release of the Blalock-Goldmine Road Property from the Security Deed held by the holder of the Class 4 SFR/RoundPoint Secured Claim;

Step 4: the dollar amount of Net Sales Proceeds remaining after payment of amounts to the holder of the Class 4 SFR/RoundPoint Secured Claim necessary to obtain release of the Blalock-Goldmine Road Property from security documents held by the holder of the Class 4 SFR/RoundPoint Secured Claim shall be divided by two, *i.e.*, divided into two equal halves;

Step 5: one-half of the funds remaining from sale of the Blalock-Goldmine Road Property after payments to the holder of the Class 4

SFR/RoundPoint Secured Claim shall be paid to the holder of the Class 7 Hamilton State Bank Claim.

5.5 Class 8 Claims: Unsecured, Non-Priority, Insider Claims. The Class 8 Unsecured, Non-Priority, Insider Claims shall be subordinated to the payment of all Allowed Claims in Debtor's Chapter 11 Case, pursuant to the payment provisions of this Plan. Upon payment of all Allowed Claims in Debtor's Chapter 11 Case pursuant to the provisions of this Plan, the holders of Class 8 Unsecured, Non-Priority, Insider Claims shall be paid an amount on their Allowed Claims which equals the percentage of payment received by the holders of the Class 7 Unsecured, Non-Priority, Non-Insider Deficiency Claims.

5.6 Class 9 Claims: Equity Interest Holder Claims. The Class 9 Claims consist of the Equity Interests in Debtor.

If the treatment of the holder of the Class 7 Claim accepts this Plan as expected, holders of the equity interest shall retain their interest in the Debtor. If the holder of the Class 7 Hamilton State Bank Claim objects to the confirmation of this Plan based on treatment provided herein for such Claimant, the existing equity Interests will be terminated and new equity interests will be issued to a third-party in exchange for a capital contribution which will make possible a payment to the

holder of the Class 7 Claims in a manner sufficient to satisfy the requirements for fair and equitable treatment under 11 U.S.C. § 1129(b)(2)(B)(ii) of the Code.
